GIVE CREDIT WHERE CREDIT IS DUE--THAT'S MY MOTTO THIS MONTH!

With this issue, our buddy **Joseph Pepitone** makes his debut in the "Adventures of Scott & Paul"! Joe, whom we affectionately refer to as "Pep," is Archie Comics' **Art Director, Computer Graphics**. Every month, Sonic and I deliver the contents of our Sonic-Grams pages to his office where he busily hammers away at his computer, typesetting every single word. Pep is also responsible for the dynamic design of these pages, as well as many of the advertisements, lead and text pages that have appeared in all our Sonic books! Let's give this talented guy some well-deserved praise! **PRAISE PEP! PRAISE PEP!**

As for the star of this comic...

If you purchased our **Sonic & Knuckles 48-page Special** (hint! hint!) you already know Sonic's next 48-page Special is called **Sonic The Hedgehog Triple Trouble**. The lead story, which will faithfully adapt **Sega's Game Gear** game, features the **return of Knuckles** in an all-out brawl with Sonic, and the introduction of **Nack The Weasel**! You'll also thrill to **Tails' solo adventure** in his new **Sea Fox** submarine as we begin the countdown to his **mini-series**, coming this Fall! Plus, see **Knuckles** in his second **solo story** written and penciled by **Ken Penders**, which continues the countdown to his **mini-series**! Combine all this with another outrageous cover by **Patrick Spaziante & Harvo**, with coloring by **Heroic Age**, and we have the makings for another instant classic!

Next month is going to be way past cool for fans of Sonic, Knuckles, Tails--heck, it's going to be a great month for fans of **every** Freedom Fighter!

Be there!

Dear Sonic,

Throughout my whole comic book collection, you're one of the best comic book heroes. I have a question for issue #22: Why did those SwatBots attack Snively and Robotnik? Well, I don't have much else to say except I hope you have a great time and that I'm one of your biggest fans.

Robbie Epperson
Casa Grande, AZ

P.S.: You're the best!

Thanks for the phrase that pays me lots of compliments. I try to be the best, but it takes a lot of hard work on my part (and my feet!). As for your question, the reason why the SwatBots attacked Dr. Robotnik and Snively was they were pre-programmed to demolish everything if Robotnik himself was destroyed. When they saw Robotnik, they thought he was a fake since their programming told them that he was destroyed... until he "de-programmed" them. Get it? Got it! Good! Now, let's juice to the next letter!

Dear Sonic Team,

I have been an avid reader of your comic for over a year now and I have finally decided to write in. The past few issues have been great! I'm glad the stories are starting to emphasize action as well as humor. As for Pat Spaziante, he is the best Sonic artist since Scott Shaw! Pat brings a real sense of action and intensity to his drawings which I enjoy immensely.

But now, as much as it pains me, I have to make a small complaint. It concerns the character Bunnie Rabbot. Bunnie is one of my favorite characters on the Saturday morning cartoon. It really bugs me

that in your comic, Bunnie is almost always in the background, contributing little or nothing to the story! Or, as in issues 7, 11, 17, 19, 20, 21, and 22, she didn't appear at all!!!

Bunnie's cybernetically enhanced strength is a big advantage to the team! Not to mention her built-in functions such as her extendible robotic legs and the grappling line in her robotic arm! I enjoy Bunnie's pleasant and friendly personality and it really burns me up to see some cowardly dork like Antoine get more dialogue than she does!!!

Please take this letter under consideration. Sonic The Hedgehog is still my favorite comic.

Peter Hogarth

Thanks for complimenting my buddy Patrick Spaziante, Peter. He's got this swelled head from all the praise he's been receiving--wait a minute--I think he had a big head to start! YUK! YUK! As for Bunnie, she did a great job of helping 'Twan in issue #23, and how about her fighting prowess this issue?! Also, since Bunnie is inker Rich Koslowski's favorite Freedom Fighter, you can bet your chili dogs you're going to see a lot more of her adventures!

Dear Tails,

I'm your #1 fan. I have a stuffed Tails that looks just like you. I love the way you twist your tails and fly. Will you ever have your own comic book?

Lisa Scalley
Cleveland, Ohio

Hey, Lisa, didn't

SONIC GRAMS

Hey, Lisa, didn't someone let you know that this is a Sonic-Grams page, not a Tails-Gram page? Just kidding, but you can send him letters to his own comic book letters page if you want. Yes, that's right... Tails gets his own mini-series this fall! Look for it by name. Also, check out Scott's editor's box for more "de-Tails" on upcoming Tails' solo stories! I'm proud of that boy! Taught him everything he knows! And I know that you know that he knows what I know, you know, so there you go.
